

# Blank Space

## Beth

Nice to meet you, where you been?  
I could show you incredible things  
    Magic, madness, heaven sin  
    Saw you there and I thought  
    Oh my God, look at that face  
    You look like my next mistake  
    Love's a game, want to play?  
        New money, suit and tie  
    I can read you like a magazine  
        Ain't it funny, rumors, lie  
    And I know you heard about me  
        So hey, let's be friends  
    I'm dying to see how this one ends  
        Grab your passport and my hand  
I can make the bad guys good for a weekendSo it's gonna be forever  
    Or it's gonna go down in flames  
    You can tell me when it's over  
    If the high was worth the pain  
        Got a long list of ex-lovers  
        They'll tell you I'm insane  
    'Cause you know I love the players  
And you love the game'Cause we're young and we're reckless  
    We'll take this way too far  
    It'll leave you breathless  
        Or with a nasty scar  
    Got a long list of ex-lovers  
        They'll tell you I'm insane  
    But I've got a blank space baby  
And I'll write your nameCherry lips, crystal skies  
    I could show you incredible things  
        Stolen kisses, pretty lies  
    You're the king baby I'm your Queen  
        Find out what you want  
        Be that girl for a month  
Wait the worst is yet to come, oh no  
    Screaming, crying, perfect storm  
        I can make all the tables turn  
    Rose gardens filled with thorns  
        Keep you second guessing like

"Oh my God, who is she?"  
I get drunk on jealousy  
But you'll come back each time you leave  
'Cause darling I'm a nightmare dressed like a daydreamSo it's gonna be forever  
Or it's gonna go down in flames  
You can tell me when it's over  
If the high was worth the pain  
Got a long list of ex-lovers  
They'll tell you I'm insane  
'Cause you know I love the players  
And you love the game'Cause we're young and we're reckless  
We'll take this way too far  
It'll leave you breathless  
Or with a nasty scar  
Got a long list of ex-lovers  
They'll tell you I'm insane (Insane)  
But I've got a blank space baby  
And I'll write your nameBoys only want love if it's torture  
Don't say I didn't say I didn't warn ya  
Boys only want love if it's torture  
Don't say I didn't say I didn't warn yaSo it's gonna be forever  
Or it's gonna go down in flames  
You can tell me when it's over  
If the high was worth the pain  
Got a long list of ex-lovers  
They'll tell you I'm insane  
'Cause you know I love the players  
And you love the game'Cause we're young and we're reckless  
We'll take this way too far  
It'll leave you breathless  
Or with a nasty scar  
Got a long list of ex-lovers  
They'll tell you I'm insane  
But I've got a blank space baby  
And I'll write your name
