

# Storms (6/2/79 Version)

## Fleetwood Mac

Every night that goes between  
I feel a little less  
As you slowly go away from me  
This is only another test Every night you do not come  
Your softness fades away  
Did I ever really care that much?  
Is there anything left to say? Every hour of fear I spend  
My body tries to cry  
Living through each empty night  
A deadly calm inside I haven't felt this way I feel  
Since many a years ago  
But in those years and the lifetime's past  
I did not deal with the road And I did not deal with you, I know  
Though the love has always been  
So I search to find an answer there  
So I can truly win Every hour of fear I spend  
My body tries to cry  
Living through each empty night  
A deadly calm inside So I try to say goodbye, my friend  
I'd like to leave you with something warm  
But never have I been a blue calm sea  
I have always been a storm Always been a storm  
Ooh, always been a storm  
I have always been a storm We were frail She said  
"Every night he will break your heart"  
I should have known from the first  
I'd be the broken hearted I loved you from the start  
Save us  
And not all the prayers in the world  
Could save us
