We Are Gonna Happen

Emma Roberts

I get scared whenever were together
But it's a good kind of scared
And I can tell that you're a little nervous
The way you run your hands through your hairDo I have to paint a picture
To make you see how I feel?
Somehow whenever were together
Our friends all ask what's the dealY' say I'm just an optimist
But we can be much more than thisAnd I believe that we are gonna happen
(We're gonna get together)
I believe that we are more than friends
(It's more than just a feeling)
I believe we're really gonna happen
(We're gonna get together)
I know that's how the story supposed to endYou ask what I'm doing this weekend
I say not much, how 'bout you?
You say you haven't made plans yet
It's clear you don't have a clueMight have to take it in my own hands
Show you what love is about
'Cause I'm not gonna wait forever
Until you figure it outBaby, you're too blind to see
That you and I are meant to be'Cause I believe that we are gonna happen
(We're gonna get together)
I believe that we are more than friends
(It's more than just a feeling)
'Cause I believe we're really gonna happen
(We're gonna get together)
I know that's how the story supposed to endMaybe I'm an optimist
But when we're both as close as this
I believe that we are gonna happenI believe that we are more than friends
(It's more than just a feeling)
I believe we're really gonna happen
(We're gonna get together)
I know that's how the story s'posed to end'Cause I believe that we are gonna happen
(We're gonna get together)
I believe that we are more than friends
(It's more than just a feeling)
'Cause I believe we're really gonna happen
(We're gonna get together)
You know that's how the story's supposed to end

You know that's how the story's supposed to end
