

Rocket (Richard X Eight Four Remix)

Goldfrapp

Starting something, thought it could be fun
I started something, couldn't go wrong Danger, heartache, I'd always knew
There's no winner, in this game you lose But I still wanna know how she got in the door uninvited Ooh ooh I got
a rocket
Ooh ooh you're going on it
Ooh ooh you're never coming back This is secrets, stories unfold
Fooled by pleasure, losing control Danger, heartache, something has died
No good pretending, I'm leaving this time But I still wanna know how she got in the door uninvited Ooh ooh I
got a rocket
Ooh ooh you're going on it
Ooh ooh you're never coming back Ooh ooh I got a rocket
Ooh ooh you're going on it
Ooh ooh you're never coming back You're never coming back
You're never coming back again no no
You're going out on your own You're never coming back
You're never coming back again oh no
You're going out on your own Ooh ooh I got a rocket
Ooh ooh you're going on it
Ooh ooh you're never coming back Ooh ooh I got a rocket
Ooh ooh you're going on it
Ooh ooh you're never coming back
(You're never coming back) 5-4-3-2-1
