Soul Shaker

Sasquatch

Baby, don't you know I'm a real soul shakerBaby, don't you know I'm gonna set your world on fire
Gonna take you so high, we'll be tearin' a hole in the sky
I'm a dynamite, daddy, I'll put the rhythm in your blues
I'm not a wishy washy boy like you're used toHey, I'm a real soul shaker
I'm a true love maker, I'm a giver and a taker
Yeah, when I give you what I got, you're gonna rockAin't gonna wam bam, thank you, ma'am
I ain't gonna be just another heart breaker
Baby, don't you know I'm a real soul shakerMomma always said, I'd run into a girl like you
Sweet and smart and stronger than a hundred proof
Oh, you're so fine, you'd make a bulldog break his chain
I'm gonna wrap you up in love like a hurricane and blow you away'Cause I'm a real soul shaker
I'm a true love maker, I'm a giver and a taker
Yeah, when I give you what I got, you're gonna rockAin't gonna wam bam, thank you, ma'am
I ain't gonna be just another heart breaker
Baby, don't you know I'm a real soul shakerYou're like perfect peaches in a tree
(You're like perfect peaches in a tree)
You won't find a better honeybee
A better honey bee than me'Cause I'm a real soul shaker
I'm a true love maker, I'm a giver and a taker
Yeah, when I give you what I got, you're gonna rockAin't gonna wam bam, oh, thank you, ma'am
I ain't gonna be just another heart breaker
Baby, don't you know I'm a realI'm a real soul shaker
I'm a true love maker, I'm a girlfriend taker
Yeah, when I give you what I got, you're going to rockAin't gonna wam bam, oh, thank you, ma'am
I ain't gonna be just another heart breaker
Baby, don't you know I'm a real soul shaker
