In My Soul

Samuel Ljungblahd

In my soul
In my soul
I believe it'll be alright
You might feel like you're all alone
Feel that our hope is gone
And nothing is going right
You're out of faith
You're out of hope
Feel all bangd up
Hanging on the ropes
But brother don't give up
cause I my soul
In my soul
I believe it'll be alright
Lost your job, cash flow was low
If you can make it, you don't know
Cause nothing is going right
Say it, It might be done
It might feel like night
And you help, you have no hope inside
But sister, don't give up
cause In my soul
In my soul
I believe it'll be alright
I said in my soul
I said in my soul
I believe it will be alright
(yeah yeah)
I can't tell you what to do, no
But I believe that someone cares for you
Someone that's really strong
That can help you cary on
So listen to what I say
It will come a brighter day
so don't give up, no
I said don't give up, no
So in my soul
In my soul
I believe it'll be alright

I said in my soul
I said in my soul
I believe it will be alright
(Yeah)
I said alright
I say it's gonna be, It's gonna be alright
Yeah yeah
Said alright
I believe it's gonna be, it's gonna be
(hey)
I said it's gonna be alright
so don't give up
come on hold on
Hold on, hold on
It's gonna be, alright yeah yeah
oohhooh
eeeehheehhee
I, I said in my soul I believe
I said in my soul I believe
In my heart I believe
Oh, it's gonna be a brighter day
Come on
ah, short comes in a moment
Short comes in the moment
Hold on, hold on
I said sister hold on
Brother hold on
Aww
Come on, now don't give up,
don't give up
He's there for you, yeah
I said he's there for you, yeah
He's there for you
Yeeeaah
