Sugar

Beach Fossils

So now you found the time to get away
But you don't know what to do about yourself
I see it but I look the other way
And I'm feeling like I'm falling out againOn the outside, on the outside
On the outside, change your mind
I'm feeling nothing, I'm feeling nothing
On the outside, change your mindI'm lost in
I'm lost in
I'm lost in
So now you turn to me to get away
But you haven't figured out just what you want
You see those angels in the alleyway
Were they coming here to save me from myself?On the outside, on the outside
On the outside, change your mind
I'm feeling nothing, I'm feeling nothing
On the outside, change your mind
I'm lost in the sugar
Found out you're the only one
I'm lost in the sugar
Found out you're the only one
Go on now forever
Found out you're the only one
