## Mndsgn

[first verse]

sometimes ya thinking  
what planet am I really on  
sometimes it int clear  
what vibrations they really on  
you try your best to keep it moving  
dreaming about the day ya quit loosing ya mind  
it might be sooner than later  
its all up to you (always)[chorus]  
all up to you  
its all up to you (always)  
all up to you[second verse]  
sometimes ya thinking  
what planet am I really on  
sometimes it aint clear  
what vibrations they really on  
you try your best to keep it moving  
dreaming about the day ya quit loosing ya mind  
it might be sooner than later  
its all up to you (always)[chorus]  
all up to you  
its all up to you (always)  
all up to you
