Hardcore Hooligan

DJ Speed

YOUR JUST A HOOLIGAN
A HARDCORE HOOLIGAN
YOU'RE JUST A HOOLIGAN
A HARDCORE HOOLIGAN
They've taken the game out of our pockets
They're filling theirs up and its time to stop it
Cost of the tickets has gone through the roof
Hard to afford we're the living proof
Football clubs taking the piss
Boys like you don't put up with this
All seater grounds the rucking's no more
But up at the station we'll still have a war
