

Favourite Sweater

BRÅ VES

Our unconventional , sensual, sexual bedtime
feed me lines, I'm the actor and your the director
give me consensual, barely unbearable sex crimes
- you'll be meg ill narrate you like I am your dexter

in our confessional, our indiscretion's a fine wine
- serve you up and I'll eat you like Hannibal lector

you're irresistible when you're bent over like canines
- you're the catcher in the rye now polish my thresher

you ala mode my french toast wit.cha cannibal eyes.

I fit inside of you like you're my favorite sweater
on with the show youâ€™re the host the Oprah of my sex life

baby you got licks like your Santana
baby take a solo touch yourself
hey you got that voodoo who do? you do
baby you so fly like the Wright bruddas
take off all your landing gear lets thrust
hey you got that voodoo who do? you do

One night is never enough
Your mama knit magic
Our wild love
Ur My favorite sweater
Never enough
When itâ€™s Winter in Paris
I fit inside of you like youâ€™re my fav sweater
Our love will never be frayed
