Evangeline

Handsome Furs

Her dress was dark and clean,
And how did you get here,
You twist all over me,
Like you were caught in the wind
And we were cold callin'.Oh Evangeline.
Oh Evangeline.Imagine you and me,
Following orders.
Lights on a frozen sea,
North of the border.
And I heard their guns callin', hey.Oh Evangeline.
Oh Evangeline,
Say what you mean.
Come back to me.
Say what you mean.Oh Evangeline.
Oh Evangeline.We hardly knew summer,
And it goes to show.
We hardly knew each other,
And it goes to show.Oh Evangeline.
Oh Evangeline.
Oh Evangeline.
Oh Evangeline.
