

A Congealed Clot Of Blood

Carcass

Come decapitate the fasiq you made with the praiseworthy's blade
Come eradicate the false imam slay in the great prophet's name
Heathenist hate dar al-harb you create for the holy prophet you maim
Death's coda
Bloody dystopia

Dajjal soldier of unholy warfare For you will discover nothing true but eternal human bloodshed
For do true prophets come armed with sword and chariot? A dark standard raised-juxtaposing dyad

The profit of rage-the jihadist black flag
A dark standard raised-juxtaposing dyad
The scimitar blade-black flag of jihad
You true infidel the prophet you betray
With the jihadist blade

Feudal infidel, savage, the mind enslaved
Come rise the herald of a new dark age Death's coda
You're no gods warrior

Extant dystopia For you will discover that nothing is true but infinite human conflict

For do true prophets come armed with sword? Rasual al malahim
A dark standard raised-juxtaposing dyad
The profit of rage-the jihadist black flag
A dark standard raise-juxtaposing dyad
Relish a new dark age-black flag of jihad
