

Siva (Peel Session)

Smashing Pumpkins

I spin off and lose my head
Throwing stray a spark instead
Gather strength down in my heel
And dig it in the world I peelWay down deep within my heart
Lies a soul that's torn apart
Tell me, tell me what you're after
I just want to get there fasterI don't live, I inhale
I don't give, I unveil
Don't want to live in your misery
I don't live, I inhaleSprinkle all my kisses on your head
Stars full of wishes fill our beds
She said, "I'm dead" All this pain smothers me
Like a bomb that you can't see
Tell me, tell me what you're after
I just want to get there fasterYeahI don't live, I inhale
I don't give, I unveil
I don't live, I inhale
I don't live
