Always Be Together

Little Mix

We are, friends for life.
Hold that, deep inside
Let this, be a drive
To surviveAnd just stand, high and tall
Make sure you give your all
And if you ever fall
Know that I'm right hereWe'll always be together, don't you worry
I'll always be by your side, don't you worry
The circle will never end, just know that we'll meet again
And we'll always be together, forever, alwaysI am here, find me, in the sky
Destine with the moon at night
Your heartbeat is disguised as my, lullaby
Be happy, and know that I'm
Watching you travel far and wide
Waiting for us to meet againWe'll always be together, don't you worry
I'll always be by your side, don't you worry
The circle will never end, just know that we'll meet again
And we'll always be together, forever, alwaysI am here, If you need me, yeah
I'm in the wind , look for me friend
I'm in the stars, when you need me
The heavens will send a message within
Straight to your heart, oohWe'll always be together, don't you worry, don't you worry
I'll always be by your side, don't you worry
The circle will never end, just know that we'll meet again
And we'll always be together, forever, always.
I am here, I am here, I am here
