I got my Jesus on x4
He was born in a manger.
King of the Kings, Lord of the Lords
He was born in a manger.
Two thousand years later, at the mention of His name all men procliam no body greater
no no no bobdy greater
now see at the mention of His name
all niece go down.
No matter who you are,
you'll go down (you go down.)
I don't really care if you love this sound.
I was once lost but now i'm found.
Living and chilling and giving everything
I got giving everything i got.
I got my Jesus on
I got my Jesus on
I got my Jesus on
I got my Jesus on x4.
Trying to let them know i got my Jesus on
Said i trying to let them know i got my Jesus on.
Everybody got to know i got my Jesus on
Everybody got to know i got my Jesus on
Trying to let them know i got my Jesus on
Said i trying to let them know i got my Jesus on.
Everybody got to know i got my Jesus on
Everybody got to know i got my Jesus on
I got my Jesus on
I got my Jesus on
I got my Jesus on
I got my Jesus on x4
Regardless...
He was born in a manger

Yeah i'm talking humble begin to men
whose birth and death brought significance to
the whole world
Seebhe gave second chance to make the first
impression
Really trying not to blow it
You that i work for the Lord
all day long everywhere i go boy try to show it
i came from the bottom to the top
and i'm feeling like a movie cast
i serve an awesome (awesome.)
and i'm bout to put in all my best
cause he gave me a spot
