I Have Seen

No Fun at All

I believe in the things I see
And there's something ain't right
The reflection in your eyes
And a fire burning bright
When you come to me
In the night
And you're feeling down
Will you come to me
In the night when there's
Something that ain't rightI have seen, I have seen
So much hate in your eyes
I have seen, I have seen
And I only want to be a past of you
I have seen, I have seen
Wish I could understand
I have seen, I have seen
Guess I ought to close my eyesI believe in the things you say
But there's something
That ain't right
The expression on your face
And your grip is closing tight
When you talk to me in the night
Try to sort things out
Will you talk to me in the night
When there's something that ain't rightShitfaced, my way, going on like no tomorrow
Got to try to slow things down
Shitfaced, no way, going on like no tomorrow
Got to try to slow, I hit the groundI'm out of bounds
I'm out of bounds
Reviewing my options
Rise again I want to rise again
I want to break the seal
want to break to sealFuckface, your way, going on like no tomorrow
Got to try to breath, no chance
Fuckface, your way, going on like no tomorrow
Got to try to see, ain't got a chance
