Blame Game

Clinton Fearon

Oh, oh, oh, oh la la la na na
Dont get stuck in the road, stuck in the road
Dont get stuck in the road, stuck in the road
Playing the blame game
That single day, stop playing the blame game, oh
That dirty old game.
Dont get stuck in the road, stuck in the road
Dont get stuck in the road, stuck in the road
Playing the blame game
That single day, stop playing the blame game, oh
That dirty old game.
Always wanting at someone else
And not at ourselves
Well only prologue the wrong thats been done
With no one responsible.
Step a while, look a while, think a while
Sometimes, see we always . on our way
Away from ourselves, yeah!
Dont get stuck in the road, stuck in the road
Dont get stuck in the road, stuck in the road
Playing the blame game
That single day, stop playing the blame game, oh
That dirty old game.
Dont get stuck in the road, stuck in the road
Dont get stuck in the road, stuck in the road
Playing the blame game
That single day, stop playing the blame game, oh
That dirty old game.
Lets slip a message and take it when theres no time to lose
Lets slip a message and take it when theres no time to lose
Lets wait for the wisdom to choose between right and wrong
And if you want to carry on, youve got to be strong.
Dont get stuck in the road, stuck in the road
Dont get stuck in the road, stuck in the road
Playing the blame game
That single day, stop playing the blame game, oh
That dirty old game.
Dont get stuck in the road, stuck in the road
Dont get stuck in the road, stuck in the road

Playing the blame game
That single day, stop playing the blame game, oh
That dirty old game.
From the . always get a warning
Like the dark clouds that always gather before the summer rain.
Trouble never ... charming
Like spots of a light in a hell from the evening sun.
Dont get stuck in the road, stuck in the road
Dont get stuck in the road, stuck in the road
Playing the blame game
That single day, stop playing the blame game, oh
That dirty old game.
Dont get stuck in the road, stuck in the road
Dont get stuck in the road, stuck in the road
Playing the blame game
That single day, stop playing the blame game, oh
That dirty old game.
