Deliver Me

Sarah Brightman

Deliver me, out of my sadness Deliver me, from all of the madness Deliver me, courage to guide me Deliver me, strength from inside meAll of my life I've been in hiding Wishing there was someone just like you Now that you're here, now that I've found you I know that you're the one to pull me throughDeliver me, loving and caring Deliver me, giving and sharing Deliver me, the cross that I'm bearingAll of my life I was in hiding Wishing there was someone just like you Now that you're here, now that I've found you I know that you're the one to pull me throughDeliver me Deliver me Oh, deliver meAll of my life I was in hiding Wishing there was someone just like you Now that you're here, now that I've found you I know that you're the one to pull me throughDeliver me Oh, deliver me Won't you deliver me?
