

# Don't Wanna Dance (Christian Luke Remix)

Cassie Davis

Hey, hey, what's your name, what's your name sir  
Hey, hey, what's your name, what's your name sir  
It's three o'clock and I'm lookin' at my clock tick tick tick tock tock  
Staring at the ceiling, ceiling, you know what I'm feelin' feelin'  
We wouldn't be sitting here  
We would be steppin' out somewhere  
Heels high  
Head back  
My nails painted black  
Woah I don't know why, I don't wanna dance  
Just put up my hand  
Hands to the sky  
Cause I can, I don't wanna dance  
Just put up my hands  
Ok ok alright I don't care what they say bout me there not the ones I'm trying to please  
Hey hey, what's your name, what's your name sir, hey hey
