

Raining Raining (feat. Ry Cooder)

The Haden Triplets

It's sunny and dry
without a cloud in the sky
but here inside it's raining
Lovers go for a stroll
dressed up in summery clothes
but in here it's cold and raining
It's raining so hard I wish it would stop
rain, rain, raining
I heard the weatherman say
put your umbrellas away
for me it's always raining
Lovers strolling around
without their feet on the ground
but in here it's bound to be raining
It's raining so hard how I wish it would stop
rain, rain, raining
It's raining so hard how I wish it would stop
rain, rain, raining
I said it's sunny and dry
not a cloud in the sky
so tell me why should it be raining
There are lovers out back
already getting on track
but I hear thunder crack when it's raining
It's raining so hard oh how I wish it would stop
rain, rain, raining
I said it's raining so hard oh how I wish it would stop
rain, rain, raining
rain, rain, raining
rain, rain, raining
rain, rain, raining
