

# Mr Natural

## Mental As Anything

I don't drink, I don't smoke  
I don't sniff, no coke  
New age, that's me  
That's what it should be I am Mr. Natural  
You can call me Mr. Natural I don't drive no car  
I live by the stars  
I don't eat no meat  
I am Mr. complete I am Mr. Natural  
You can call me Mr. Natural  
I am Mr. Natural I won't wear no skin  
I don't care who wins  
But I know that I'm right  
I can't give a time I am Mr. Natural  
You can call me Mr. Natural  
I am Mr. Natural  
You can call me Mr. Natural Mr. Natural  
Mr. Natural  
Mr. Natural
