

Time

Benjy Myaz

Leave it to time
it would be fine no no

It a while since iâ€™ve been trying to get on with you
But you keep on saying you donâ€™t know what to do
Donâ€™t know much about you yet you are always on my mind
So all we got to do is leave to time
Everything will be fine

Time, time alone can do anything
Time, time can move any mountain
Time, time will make you realise
Someone is in love with you
baby its true

So what are we gonna do, bound to you
You know how i feel
Will you ever realise that iâ€™m for real
Let me assure you and iâ€™ll promise i wonâ€™t break your heart
Now you know it right from the start
So leave it to time

Time, time alone can do anything
Time, time will move any mountain
Time, time will make you realise
Someone is in love with you
baby its true oh yeah yeah
Baby its true, see

See its a while since iâ€™ve been trying to get on with you
But you keep on saying you donâ€™t know what to do
Make up your mind and give it a try now you know the score
â€™Cause girl iâ€™ve been knocking your door
So leave to time

Time, time alone can do anything
Time, time can move any mountain
Time, time will make you realise
Someone is in love with you
baby its true

Time, time alone can do anything
Time, time can move any mountain
Time, time will make you realise
Someone's in love with you
baby its true oh oh oh
Time, time alone can do anything
Time, time can move any mountain
