Final Trap

Nicotine

I don't wanna take it anymore
I don't wanna take it
I don't wanna take it anymore
Just want you to help me anyway
Are you gonna lead me?
Would you get me out to paradise?Won't you take me high enough
To get me outta bed?
So I can't kill me again
I can see the rising sun
And I'll go forward again
Never lookin' back the pastI don't wanna take it anymore
I don't wanna take it
I don't wanna take it anymore
Just want you to help me anyway
Are you gonna lead me?
Would you get me out to paradise?Won't you take me high again
To take me to your bed
So I can feel you again
I can see the shining smile
And I'll go forward again
Never lookin' back the past
