Guttermouth

hatred is okay
disobey disobey
i'm fucking pissed
break somthing today
always look pissed
don't dress nice
don't be helpful
carry a knife
never think positive
get fucking wasted
harm yourself
quit fucking school
harm yourself
steal a car
harm yourself
ignore your family
harm yourself
sleep all day
worship dead junkies in shitty bands [x3]
kill your fuckin self.
boots, bondage and basic reading skills.
