Aqualung (Instrumental)

Morcheeba

Battle cries
We make the swift retreat
Paradise
It don't come cheap
Square up to fight
Like dynamiteThe flight is young
We're getting deep without an aqualung
Our will is strong
We got to work at where we're goin wrongButtercup
I think we missed a turn
Back it up
You'd think I'd learn
Your gelignite
Sets truth alightThe flight is young
We're getting deep without an aqualung
Our time is long
We got to find where we're coming fromSquare up to fight
Like dynamiteThe flight is young
We're getting deep without an aqualung
Our will is strong
We've got to work at where we're going wrongLight years from here
We're gonna burn up in the atmosphere
It's crystal clear
We're coming swinging on the chandelier
