Nobody's You

Matt Wertz

Her hand fits mine
Yeah we look just right
All the people stop and stare
I've tried and tried
But can't deny
Yet she still don't compare
No one compares
Oh oh
No matter what I do
Oh oh oh
Nobody's you
Now she's kissing on me
Am I going crazy
'Cause you're on my mind and still
She is everyhting
I could ever need
But your heart beats in my head
Pretty baby, ain't something sweeter
Oh oh
No matter what I do
Oh oh oh
Nobody's you
And again I'll sing it

Oh oh
No matter what I do
Oh oh oh
Nobody's you
The road ain't always right
Doesn't mean it's hard
'Cause I can't let you go
But hang in on
Why I'd ever let you walk away?
Now she's kissing on me
Am I going crazy
Oh oh
No matter what I do
Oh oh oh
Nobody's you

And again I'll say
Oh oh
Girl don't you know it's true
Oh oh oh
Nobody's you
Nobody's you
Nobody's you
Nobody's you
Nobody's you
