

Can't Stop (Album Version)

Mozella

Speak to me, read my mind
Fill your mouth, with flesh and wine And I'll be yours, just give me time
Give me time 'Cause you have everything I could ever want
You have everything I could ever want
You speak to my soul like you've known it before
And I just can't stop
Lord I can't stop, myself
I can't stop
Lord I can't stop, myself, now I'm losing sleep, over you
And I don't know what, I've got myself into
You just have something that I need
I can't put my finger on it
You can't put yours on me You have everything I could ever want
You have everything I could ever want
You speak to my soul like you've known it before
And I just can't stop
Lord I can't stop, myself
I can't stop
Lord I can't stop, myself, now (Now) That you know, I can't get enough
I gotta have all your love You have everything I could ever want
You have everything I could ever want
You speak to my soul like you've known it before
And I just can't stop
Lord I can't stop, myself
I can't stop
Lord I can't stop, myself
I won't stop
Lord I can't stop, myself
I can't stop
Lord I can't stop, myself, now
