Closed mouth catches no flies
Burning bridges as you're crossing is not very wise
When analysed
Be tongue-tied
Play snakes and ladders
But not suicide
Like casting pearl before swineTalking to you is a waste of time
You burned the bridges you've been crossing
Go crawl back into your dustbinCrawl back in your own dustbinFrom you expect this lack of respect
To be sly
Not one of a kind
Pretty picture
Bad frame of mind
Like casting pearl before swine
Talking to you is a waste of time
You burned the bridges you've been crossing
Go crawl back into your dustbinGo crawl back into your dustbin
Go crawl back into your dustbin
Go crawl back into your dustbin
Go crawlI've learned caution
This comes from wisdom
These altitudes
These dizzying heights
These bottomless pits
These sweet delightsLike me
You are unlike me
Like me
You are unlike me
Go crawl
Back in
Your dustbinTalking to you is a waste of time
You burned the bridges you've been crossingUnder surveillance
Sweet subservience
I think you're stupid
But you're worth the mention
People who need people
Are the stupidest of peopleGo crawl back into your dustbin
Go crawl back into your dustbin
Go crawl back into your dustbin

Go crawl back into your dustbin
