

Sex, Drugs & Violence (Demo)

Green Day

All my life trouble follows me like a mystery girl
And Ive been chasing round a memory like a mystery girl
Ive been getting lost searching my soul all around this town
I took a wrong turn in growing up and its freaking me out
Back at school it never made much sense
Now I pay but I can pay attention
Teaching me the hardest lessons of my life
Too dumb to die, guess, but thats the way it goes
Sometimes I must regress to Sex, drugs & violence
English, math & science,
Safety in numbers
Give me, give me danger
Well I don't wanna be an imbecile
But Jesus made me that way
All my life Ive been running wild like a runaway
Wherever the night takes me like a stowaway
Back at home it never made much sense
Now I pay but I can pay attention
Teaching me the hardest lessons of my life
Too dumb to die, guess, but thats the way it goes
Sometimes I must regress to Sex, drugs & violence
English, math & science,
Safety in numbers
Give me, give me danger
Back at home it never made much sense
Now I pay but I can pay attention
Teaching me the hardest lessons of my life
Too dumb to die, guess, but thats the way it goes
Sometimes I must regress to Sex, drugs & violence
English, math & science,
Safety in numbers
Give me, give me danger
Sex, drugs & violence
English, math & science,
Safety in numbers
Give me, give me danger
Sex, drugs & violence
English, math & science,
Safety in numbers
Give me, give me danger
