

Punk Rocker

Special Duties

Judges and the cops don't know what's right
Gotta' get away on a family night
They're standing around and all holding a pint
Really getting messed up by the Punk Rock lightWhoaa oohh, Punk Rocker
Whoaa oohh, Punk RockerJohnny is caught and comes fresh out of jail
and all that while us Punks looked pale
Texas Hold Em' and nothing distraught
cops go out and (are) lost in thoughtWhoaa oohh, Punk Rocker
Whoaa oohh, Punk RockerStayin' up at night to pay my rent
On and on, payment in my head
We gonna' party and all get drunk
Johnny passes out, (and he) don't give a f***Whoaa oohh, Punk Rocker
Whoaa oohh, Punk RockerWhoaa oohh, Punk Rocker (x3)
Punk Rocker!
