How 'Bout Us (Single Version)

Champaign

Ooh, short and sweet
No sense in draggin' on past our needs
Let's don't keep it hangin' on
If the fire's out, we should both be goneSome people are made for each other
Some people are made for another for life, how 'bout us
Some people can hold it together
Last through all kinds of weather, tell me can weNow don't get me wrong
'Cause I'm not tryin' now to end it all
It's just that I have seen
Too many lover's hearts lose their dreamsSome people are made for each other
Some people are made for another for life, how 'bout us
Some people can hold it together
Last through all kinds of weather, tell me, can weHow 'bout us
How 'bout us, baby
How 'bout us
How 'bout us, babySome people are made for each other
Some people are made for another for life, how 'bout us
Some people can hold it together
Last through all kinds of weather, tell me, can we
