# Best Part

## Katey Sagal

Did I murder your soul again
When I strangled my heart again
I know I'd never tell you
But it's time that you should know

(That) I would be faking
If I was not saying
(That) you are the best part of my life

I'm closer to you, my love
Than I've ever been to anyone
I know I never hold you
I know you feel alone

I would be faking
If I was not saying
(That) you are the best part of my life

(That) I would be faking
If I was not saying
(That) you are the best part
I would be faking
If I was not saying
You are the best part of my life
