Fuck With You

Pia Mia

Your heartbeat, heat on my life
He want me, two nickles makes a dime
Duck tape on a forthy
Feeling good, baby what you doin' ?
I brought another homie,
Looks good baby get on too
Make it pop, make it pop
Baby what you do
Don't stop, don't stop
Baby want it too
'Cause I'ma mess with you
So I'll mess with you
Make it pop, make it pop
Baby what you do
Don't stop, don't stop
Baby want it too
'Cause I'ma mess with you
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOUHey baby you know I like
We all out, they all inside
Turns up on them hoodie
Act up, make the front page news
Duck tape on a forthy
Feeling good, baby what you doin' ?
Make it pop, make it pop
Baby what you do
Don't stop, don't stop
Baby want it too
'Cause I'ma mess with you
So I'll mess with you
Make it pop, make it pop
Baby what you do

Don't stop, don't stop
Baby want it too
'Cause I'ma mess with you
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOUI got a candy pedicure, and ??? baby uh
Came through with my pretty ladies too
Teach you a thang or two
I fuck with you, and I'm faded uh
I'm gon' ditch you up, you gon' call me back
'Cause it's mutual, oohI know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I JUST WANNA FUCK WITH YOU
I know you want it too
I know you want it too
I know you want it too
I know you want it too
