Superstar

The Ark

It doesn't matter who you are
If you are a superstar
It doesn't matter who you are
If you are a superstarAnd when you take them on
You gotta take them all to far
It doesn't matter who you are
If you are a superstarIt doesn't matter where you'll be
If you travel in a fast machine
It doesn't matter where you'll be
If you travel in a fast machineAnd when you take them on
You gotta take them all to far
It doesn't matter where you are
If you are a superstarIt doesn't matter where you are
If you only know two chords on your guitar
You gotta go for what you can do
And you will do all rightIt doesn't matter where you are
If you've only got two songs in your repertoire
You gotta go for what you can do
And you will do allrightIt doesn't matter who they see
If you are the queen bee
It doesn't matter who they see
If you are the queen beeAnd when you take them on
You gotta take them all to far
It doesn't matter where you are
If you are a superstarIt doesn't matter who you are
If you only know two chords on your guitar
You gotta go for what you can do
And you will do all right
It doesn't matter who you are
If you've only got two songs in your repertoire
You gotta go for what you can do
And you will do all rightIt doesn't matter who you are
If you only know two chords on your guitar
You gotta go for what you can do
And you will do all right
That's what you are
A superstarYou've got them all
You've got to make it all right
Aaaah

You've got them all
You've got to make it all right
