Lost (2016 Remastered)

Red

Can I be dreaming once again?
I'm reaching helpless I descend
You're leading deeper through this maze
I'm not afraidI'm lost in you everywhere I run
Everywhere I turn I'm finding something new
I'm lost in you something I can't fight
I cannot escape
I can spend my life lost in you! Lost in you!Your whispers fill these empty halls
I'm searching for you as you call
I'm bracing, chasing after you
I need you moreI'm lost in you everywhere I run
Everywhere I turn I'm finding something new
I'm lost in you something I can't fight
I cannot escape
I can spend my life lost in you!I could never be the same here
Something that I could never arise
I could never look away
I lost myself in you!
It's all over now!Lost in you! Everywhere I run
Lost in you! Everywhere I run!
Lost in you!
Lost in you!
