Shake And Shout

Stereo Skyline

So again and again she's got me goin' (so again and again) round in circles.
My head she's got me spinnin'.
(She's got me spinnin'.)
What to do, what to say.
I can't make it out this way.
(No, I can't make it out.)
No, I can't make it out.
Shake and shout.
Get it out before it swallows you.
It swallows you.
I've got this itchin' in my neck that I just can't scratch.
Yeah, and it's all because of something that leads right back to you.
We'll sit around and talk about how lame we really are.
I'll watch you dance around to New Found Glory in the front seat of my car.
So again and again she's got me goin' round in circles.
My head she's got me spinnin'.
What to do, what to say.
I can't make it out this way.
Shake and shout.
Get it out before it swallows you.
It swallows you.
I know my heart and my head meant the words that I said.
Yeah, but it's nothing compared to the melting in my chest.

We'll sit around and talk about how lame we really are.
I'll watch you dance around to New Found Glory in the front seat of my car.
So again and again she's got me goin' round in circles.
My head she's got me spinnin'.
What to do, what to say.
I can't make it out this way.
Shake and shout.
I know my heart and my head meant the words that I said, yeah.
Shake and shout.
You call me stupid but the truth is that I'm falling in love.
Let's sit around and talk about how lame we really are.
I'll watch you dance around to New Found Glory in the front seat of my car.
So again and again she's got me goin' round in circles.
My head she's got me spinnin'.
What to do, what to say.

I can't make it out this way.
So again and again she's got me goin' (so again and again) round in circles.

No, I can't make it out this way.
