Then break up  
Why don't we wake up  
And see When love hurts  
It won't work  
Maybe we need some time alone  
We need to let it breathe (So what's that supposed to be about baby)  
Breathe (Gall free up ya vibe and stop actin crazy)

Breathe (Why you try pull that got me actin shady) You're only lonely when your homey  
Ain't got a ride or no loot, yeah,  
Then comes the drama  
Some other girl is claimin' she's goin' out with you All we do is make up  
Then break up  
Why don't we wake up  
And see When love hurts  
It won't work  
Maybe we need some time alone  
We need to let it breathe (So what's that supposed to be about baby)  
Breathe (Gall free up ya vibe and stop actin crazy)

My girl for the fourth time  
Let me make it very clear to you  
Your very dear to me  
And honor of me share to you  
Me not unfair to you  
Who would u want for real you make me know and

I will be there for you  
But me know I'm not a fear to you  
Stand up like a man and not be there cuz I care for you  
Long time tellin you  
No other girl can compare to you  
Woman if you leave me now  
I'm gonna shed alot of tears for you  
Say you want to breathe I'm still not I'm exhalin'  
Say you want to leave cuz this relationship failin'  
Aint nobody say that it would be smooth sailin'
