Driftwood

The Charlie North Michael e Project

Everything is open
Nothing?s set in stone
Rivers turn to oceans
Oceans tide you home
Home is where the heart is
But your heart had to roam
Drifting over bridges, never to return
Watching bridges burn
You?re driftwood floating underwater
Breaking into pieces, pieces, pieces
Just driftwood, hollow and of no use
Waterfalls will find you, bind you, grind you
Nobody?s an island
Everyone had to go
Pillars turn to butter
Butterflying low
Low is where your heart is
But your heart has to grow
Drifting under bridges, never with the flow
And you really didn?t think it would happen
But it really is the end of the line
So I?m sorry that you?ve turned to driftwood

But you?ve been drifting for a long, long time
Everywhere there?s trouble
Nowhere?s safe to go
Pushes turn to shovels
Shoveling the snow
Frozen you have chosen
The path you wish to go
Drifting now forever and forever more
Until you reach your shore
You?re driftwood floating underwater
Breaking into pieces, pieces, pieces
Just driftwood, hollow and of no use
Waterfalls will find you, bind you, grind you
And you really didn?t think it would happen
But it really is the end of the line
So I?m sorry that you?ve turned to driftwood

But you?ve been drifting for a long, long time
You?ve been drifting for a long, long time
You?ve been drifting for a long, long
Drifting for a long, long time
