Mind Games

Colours

wait
I feel it changing now
the taste
like ashes in my mouth
you say
the only thing I'll ever be is your pain
so say enough to keep them on their knees
enough to trick the only ones you need
it's the game
fair only when you want to play
the game
and it starts when you call me your babyyou say how
how I look insane
how I look insane
complain how
how I feel no pain
how I feel no
go on and tell me all the things you hate in me
we go back and forth playing mind gameswait
I feel you coming now
the chase
is all you care about
I fake
hating the things you made in me
I love the pain, pain
so say enough to keep them on their knees
enough to trick the only ones you need
it's the game
fair only when you want to play
the game
and it starts when you call me your babyyou say how
how I look insane
how I look insane
complain how
how I feel no pain
how I feel no
go on and tell me all the things you hate in me
we go back and forth playing mind games
