I Dig You Baby

Jerry Butler

I dig you, baby, I dig you, yes, I do
I dig you, baby, I dig you, yes, I doEvery man when he's young and free
Gets hung up on some new chick he meets
Though it doesn't usually last too long
Little girl, your love is strongI have to say
(I dig you, baby)
I think I like you, darling
(I dig you, yes, I do)
I really love you, baby
(I dig you, baby)
Yes, I do
(I dig you, yes, I do)You're that special kind of girl
That makes a guy feel like he rules the world
You add that special something to my day
Lord knows you make it so easy to sayI dig you, baby
(I dig you, baby)
I wanna testify
(I dig you, yes, I do)
I really, really love you, baby
(I dig you, baby)
Yes, I doNow you are my inspiration
And I dig your hip conversation
The way you smile, oh, that's outta sight
And everything you do, girl, it's all right(I dig you, baby)
Do I have to say anymore
(I dig you, yes, I do)
I really, love you, love you, baby
(I dig you, baby)
Yes, I do
(I dig you, yes, I do)Oh, I dig you, baby
(I dig you, baby)
Tell the whole wide world
