

Down on the World Again

Social Distortion

This ain't the way it's supposed to be
There's a dark cloud following me,
I'm disillusioned I'm down on the world again
There's movies going on in my head
And all I can see is the color red.
I'm relentless I'm down on the world again Give me tomorrow's broken dreams now
I'm feeling like a loaded gun There's a world of guilt written on my face
I'm feeling ashamed for the human race,
I've been forsaken I'm down on the world again
I feel so alone in this crowd
Thoughts of despair are getting loud
I'm disrespected I'm down on the world again
Love and tolerance have abandoned me
And I feel the gloom hovering over me,
I'm resentful I'm down on the world again Give me tomorrow's broken dreams now
I'm feeling like a loaded gun
