Peace to Chuck

Chuck D

Yeah, uhh

You're not tellin' em huh? YeahThey go ohh and ahh when I jump in my car

People treat me like Kareem Abdul Jabbar

When I'm supreme rap star, they all know me

E.D. when I flash the greens on TVMC's be robbin me of my technique

The way I speak, the way I get down, the way I sound

And if you ask me, they must be on the jock

Of the innovator, one, two rock roll bounce to skaterOkay fuck it, enough with the tight shit, grab the mic quick

Hollywood niggaz, put it down spit some hype shit

EPMD Erick and Parrish, makin' dollars

With the rap scholars keep the show packed like funeral parlorsDeadly, murderous I know you heard of us

Holdin shit down on the block, nobody servin' us, yeah son

The E Double and Mic Doc, Boondox

Def Jam's off the meter yo, this shit is hotNever seen before, or heard before

The uncut raw

I'm Erick Sermon

And I'm Parrish SmithNever seen before, or heard before

The uncut raw

I'm Erick Sermon

And I'm Parrish SmithCheck it, now I'm back with the flyest material

Mic Doc and E Dub the Grand Imperial

My mic's deadly, so I scratched off the serial

And stashed it, until I have to kill at willKeep it movin', yes, it's me in the flesh

It's no illusion, fuck around and catch minor contusions

Whatever, I'm Smokin Joe when it comes to rap

I'm a professional, Tiger Woods I'm goodTime to black out, no doubt, people wanna know about

The inside scoop with the group, and are they comin out

Damn skippy I'm tipsy, high like a hippie

Don't take drinks from strangers 'cuz niggaz slip mickiesThat's why I stay on cue, like Omar Epps in JUICE

So chill and bust the debut

In rare form the false alarm's the Mic Don's
Back in effect, snap that neck, the P's goneNever seen before, or heard before
The uncut raw
I'm Erick Sermon
And I'm Parrish SmithNever seen before, or heard before
The uncut raw
I'm Erick Sermon
And I'm Parrish SmithNever say never
What? EPMD's back together
And if it gets warm take off the hot sweater
Flip the ill slick flow, flow
Watch us throw, throw
Down with the other brothers toe to toe
And if ya slow ya blow
That's why we comin with the ammo
Yo ten year veterans
A thousand rap sessions Yeah, the hard rockers
The crowd shockers
The head knockers
Yeah, EPMD's off the rockers
Never seen before, or heard before
The uncut raw
I'm Erick Sermon
And I'm Parrish SmithNever seen before, or heard before
The uncut raw
I'm Erick Sermon
And I'm Parrish SmithNever seen before, or heard before
