

# What Does It Take (To Win Your Love)

## Various Artists

What does it take  
To win your love for me  
How can I make  
This dream come true for me  
Ooh I just got to know  
Oh baby cause I love you so

I tried I tried I tried I tried  
Every way I could  
To make you see how much I love you  
I thought you understood

Oh, I gotta make you see  
What does it take to win  
Your love for me
