

Words

Daniel O'Donnell

Smile an everlasting smile
A smile could bring you near to me
Don't ever let me find you gone
'Cause that would bring a tear to me

This world has lost its glory
Let's start a brand new story
Now my love right now there'll be
No other time and I can show you

How my love
Talk in everlasting words
And dedicate them all to me
And I will give you all my life

I'm here if you should call to me
You think that I don't even mean
A single word I say
It's only words, and words are all

I have to take your heart away
You think that I don't even mean
A single word I say
It's only words, and words are all

I have to take your heart away
It's only words, and words are all
I have to take your heart away
