Dr. Who

Tujamo

Who,who
Who,who,who,who
Who,who
Tellin? my doctor
You were late,you were you

My men came from the jungle
Wild animals I?ve ever been humble
Summertime set the?I wanna come
When the beat drops
You?ll be like Rambo
Maybe why this is why you run from defence
Right now,girl we don?t need no pet
If we make love you kind of be missin? in my head
Keeping me there said
What?s your name?
?boom bye,bye
In the morning ,any time,even in the night
And you never thought she could be like
That?s right
And you never thought she could be like
That?s right
If I really want to
Tell to my doctor

Who,who
Who,who,who,who
Who,who
Tellin? my doctor
You were late,you were you
Tellin? my doctor

I?m a fixer,fix that hard
You can never be sick when you?re dealin? with moi
You?re dealin? with me,me and the crew
You were late,you were you
You were mine
Tellin? my doctor

Who am I?

Tellin? my doctor
Who are they?
Who are you?
Tellin? my doctor

Who,who
Who,who,who,who
Who,who
Tellin ? my doctor
Who am I?
Tellin? my doctor
Who!
