It's Not Enough

Johnny Thunders

You can give me this
You can give me that
You can give me this
You can give me that
It's not enoughMoney so green
So casually seen
It don't bother me
It's not enough
It's not enoughEvery town I go in
Every street I walk down
I can get anything I want
I just lay my cards downI can count on diamonds
Rubies as well
Oh, big deal, baby
I still feel like hell
It's not enough
It's not enough
