

Good God O'Mighty

Colt Ford

Advisory - the following lyrics contain explicit language:

When you're late for work good god o'mighty, when Ur boss is a jerk Good god o'mighty, when Ur feelings
geting hurt good god o'mighty some times you gotta yell Good god o'mighty!when ur truck breaks down Good
god o'mighty when ur girls runnin round Good god o'mighty when u the talk of the town Good god o'mighty
come on every body yell Good god o'mighty
Woke up this morin' a bought half past eight work started at seven and I was still smellin like Seagram's Seven
Oh hell don't know what im gonna do man one sock is brown and the others blueWhere's my dang keys man?
Where's my truck? Ole scrim must have took it, that son of a buck
Gotta go ask the neighbor if I can borrow his Saab cause Monday rents due. shoot, I need this job
Got the keys from slim took off slingin' rocks hit the dam doin 90 lord there's the cops
now im pulled over in front of the boss mans gate got liquor on my breath lord im scared to death now the
sheriffs looking at me like we aint friends then I see the camera crew not COPS again once was enough I guess
the devils inside me cause some days you gotta yell Good God O'MightyWhen you're late for work good god
o'mighty,
When Ur boss is a jerk Good god o'mighty,
When Ur feelings geting hurt good god o'mighty some times you gotta yell Good god o'mighty!when ur truck
breaks down Good god o'mighty when ur girls runnin round Good god o'mighty when u the talk of the town
Good god o'mighty come on every body yell Good god o'mightywell I went and hired me one of them PI's
cause I think my old ladies telling me some lies now im lookin at the tape and its her and slim while i was out
workin hard she was home with him no wonder he was eager to let me borrow his car but now he's caught red
handed in my cookie jar
they was thinking that my drinking might make me forget but im sharp as bear claws and slicker than goose shit
they say that life's a bitch and that shit just happens I guess that's the truth cause im a country boy rappin got
my stuff all packed everything's a blur and my damn ole dog wants to go with her man this is crazy im a pretty
good dude a lil rough around the edges and an attitude I don't know what to do I guess the devils in side me
sometime I got to say good god o'mightyWhen you're late for work good god o'mighty, when Ur boss is a jerk
Good god o'mighty, when Ur feelings gettin' hurt good god o'mighty some times you gotta yell Good god
o'mighty!when ur truck breaks down Good god o'mighty when ur girls runnin round Good god o'mighty when
u the talk of the town Good god o'mighty come on every body yell Good god o'mightyWhen you're late for
work good god o'mighty, when Ur boss is a jerk Good god o'mighty, when Ur feelings geting hurt good god
o'mighty some times you gotta yell Good god o'mighty!when ur truck breaks down Good god o'mighty when
ur girls runnin round Good god o'mighty when u the talk of the town Good god o'mighty come on every body
yell Good god o'mighty
