Hold up, you in the presence of a queen

Ow, turn up

All the pretty bitches love me

ì-,ë<^

Mouth full of gold with them Jerry curls

Stuntin' in some Prince shit

Diamonds and pearls  
 I'll be on my worst behavior  
 Hold my purse  
 Runways and strip clubs  
 I'll be making it work  
 'Cause, I'll be 01 'til I die  
 Middle finger up so high  
 Dirty vibe, dirty vibe  
 Jump on that (dirty vibe) I don't pop molly I rock microphones  
 Point it at you girl, watch her ass sing along Talk shit with the prettiest lips  
 Blow a kiss  
 Kick a hole in your speaker, and then split Do it just for fun  
 I come second to none  
 Swervin' in the Lambo' like a son of a gun What you ain't you ain't know  
 I'm yo girl's lesbian crush  
 She ain't with you she be rollin' my (dirty vibe) G to the D motherfucker  
 Who am I?  
 I'm a motherfucker  
 But divin' on C-momma  
 It's the beat on the come up  
 Get it, huh  
 But mic check (Dirty vibe) G-Duh from the feet up  
 I'm as dirty as they could and there's only one (Dirty vibe)
