

IV Play

The-Dream

Chorus:

I can give a fuck about the four play

I want it now

I'm talking straight sex

Stop fucking around (repeat) Verse 1:

Ooh none of these bitches, ain't got nothing,

on you honey, body bumping

i'm just saying, i'm all open on you

Ooh and baby you all that,

i don't know how to act,

first call don't get ya, hang up and call back,

i'm just saying, i don't wanna lose a second with you

cause baby you make me feel alive

(you make me feel alive)

sweet as paradise

(baby you don't know how you make me feel)

cant wait to paralyze

(i cant wait to get on you baby)

i wont waste your time

you know what i need, so lets get straight to it Chorus:
