

One Up the "B" Side

Ozzy Osbourne

Get it up, keep it up
As good as you can
The change is good as the rest is
To be or not to be when shit hits the fan
This is the ultimate test One up the b-side Sing it out or shout it out
The bent overture
Let me hear it at my request
You may think it's funny but I don't know why
It gets it all off your chest One up the b-side One up the b-side I gotta do it
Just another time or else I'll lose my mind
The answer's simple and straight to the point
You can see it coming from behind One up the b-side
